

A note to our valued suppliers,

The team at Uniphase has implemented a new ethics policy within our workplace called ETI. At Uniphase, we are committed to promoting a positive working environment throughout our company and our supply chain. We want to collaborate with you, our supplier, and create an environment that encourages the development and fair treatment of all workers, employees, and individuals. As a supplier of ours we are hopeful that you too value working toward the principles of ETI to create a positive working environment for all employees.

Together we can make a difference.

Thank you,

The Uniphase Team

A note to our valued suppliers,

The team at Uniphase has implemented a new ethics policy within our workplace called ETI. At Uniphase, we are committed to promoting a positive working environment throughout our company and our supply chain. We want to collaborate with you, our supplier, and create an environment that encourages the development and fair treatment of all workers, employees, and individuals. As a supplier of ours we are hopeful that you too value working toward the principles of ETI to create a positive working environment for all employees.
